## Registration

New User? Please Register using the following guide

1. Enter your name.
2. Enter your email address.
3. Enter your address.
4. Enter a password.
5. Re-enter password for confirmation.
6. Select your role from dropdown box.
7. If you are a GP or Pharmacist enter your License Number.

## Login

If you have not registered to the application yet, please follow the Registration guide.

Upon successful registration, the user will be redirected to the login page.

1. Enter the email address.
2. Enter the password.

The login form consists of a teal-colored container. Inside, there are two input fields: the first is light blue and contains the text 'doc@drcare.ie'; the second is white with a light blue border and contains seven dots, representing a password. To the right of these fields is a teal button with the text 'Log in' in white.

3. If the email address and password entered are valid, the user will be redirected to the appropriate page for their role.
4. If the credentials entered are invalid, the user will be prompted with an error message.

 Error! Wrong password. Try Again!!

## Doctor's Guide

### View Patient Details

1. Search for the Patient Name in the search box.
2. Select the Patient from the list.
3. The Bio, Allergies, and Prescriptions will display.

#### Patients

**Daniel Nelms (A78645)**  
Hanover Quay, Dublin

List All Patients

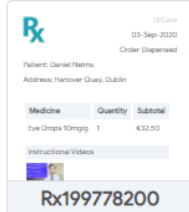

#### Patient's Profile: Daniel Nelms

Full Name	Daniel Nelms

Address: Hanover Quay, Dublin

Medicine	Quantity	Subtotal
Eye Drops 10mg/1g	1	€33.50

Instructional Videos

**Rx199778200**

**Rx** DrCare  
25-Aug-2020  
Waiting for payment  
Patient: Daniel Nelms  
Address: Hanover Quay, Dublin

Medicine	Quantity	Subtotal
Collagen 25 mg	7	€24.50

**Rx201839674**

### Create Prescription

1. Click the Create New Prescription button in the Prescription section.

The screenshot displays a web interface for a patient's profile. On the left, a search bar contains 'dan' and a dropdown shows 'Daniel Nelms (A78645) Hanover Quay, Dublin'. Below this is a 'List All Patients' button. The main area is titled 'Patient's Profile: Daniel Nelms' and has a 'Bio' tab selected. It shows a patient photo and details: Full Name (Daniel Nelms), Address (Hanover Quay, Dublin), Email (test@gmail.com), HealthCard No. (A78645), and Allergies (Penicillin, Aspirin). Below the bio is a 'Prescriptions' section. The first card in this section is a 'New Prescription' button with a red circle and a white plus sign. To its right are two existing prescriptions: 'Rx199778200' (Eye Drops 10mg, 1 unit, \$33.50) and 'Rx201839674' (Collagen 25 mg, 7 units, \$24.50).

Medicine	Quantity	Subtotal
Eye Drops 10mg	1	\$33.50

Medicine	Quantity	Subtotal
Collagen 25 mg	7	\$24.50

2. The Prescription form dialog will appear.
3. Select the Pharmacist from the dropdown.
4. Add the prescription items.
  - a. Selecting the Medicine will update the Medicine details section which shows the medicine's ingredients and side effects.

2. The patient will be redirected to PayPal's payment page

The image shows a PayPal login and registration interface. At the top is the PayPal logo. Below it is the heading "Pay with PayPal". A subtext line states: "With a PayPal account, you're eligible for free return shipping, Purchase Protection, and more." There are two input fields: the first contains the email address "sb-eveby3155559@personal.example.com", and the second is labeled "Enter your password". Below the password field is a checkbox labeled "Stay logged in to pay faster" with a help icon. A blue "Log In" button is positioned below the checkbox. Underneath the button is a link "Having trouble logging in?". A horizontal separator line with the word "or" in the center follows. At the bottom is a grey "Create an Account" button.

3. When in Payment page, Enter the PayPal account's email address.
4. Enter the password.
5. Click Login.
6. If the user does not have an existing PayPal account, he/she will need to register to PayPal.

## View Videos about medicine

1. Click on the thumbnail of a video to learn more about medicine intake and allergies.

## Instructional Videos

2. The patient will be redirected to the YouTube video about medicine.
